Annual Report F.Y. 2021-22

INDEPENDENT AUDITORS' REPORT

To the members of
Valecha Badwani Sendhwa Tollways Limited ("the Company"),

Report on the Audited Financial Statements

Opinion

We have audited the accompanying financial statements of Valecha Badwani Sendhwa Tollways Limited ("the Company") which comprise the Balance Sheet as at 31st March 2022, Statement of Profit and Loss (including Other Comprehensive Income) and Statement of Cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (hereinafter referred to as "the financial statements").

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the Indian Accounting Standards prescribed under section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended, ("Ind AS") and other accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2022 and its loss (including other comprehensive income), changes in equity and cash flows for the year ended on that date.

Basis for Opinion

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Our responsibilities under those Standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on the financial statements.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and informing our opinion thereon, and we do not provide a separate opinion on these matters. Reporting of key audit matters as per SA 701, Key Audit Matters are not applicable to the Company as it is an unlisted company.

Information other than the financial statements and auditors' report thereon

The Company's board of directors is responsible for the preparation of the other information. The other information comprises the information included in the Board's Report including Annexures to Board's Report, Business Responsibility Report but does not include the financial statements and our auditor's report thereon.

Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained during the course of our audit or otherwise appears to be materially misstated.

If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the financial statements

The Company's board of directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the accounting standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is High level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. We conclude that a material uncertainty exists, accordingly we draw attention in our auditor's report to the related disclosures in the financial statements (Refer Note 31 and 32 of Financial Statement) and our report is not modified in respect of this matter. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the financial statements of the current period and are therefore the key audit matters. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Emphasis of Matter

We draw attention to Note No. 2 says that the liability for employees' benefit was not worked out as required under IND AS 19 "Employee Benefit". The consequential impact on the financial statements, if any, as a result of the same is presently not ascertainable.

Without qualifying our opinion, we draw attention to Note No.33 of financial statement regarding assessment of going concern of ultimate holding company i.e. Valecha Engineering Limited, impact whereof presently cannot be commented.

Without qualifying our opinion, we draw attention to Note No. 34 of financial statement regarding non-reconciliation / non-confirmation of balances of certain debtors, creditors, Loans and Advances, impact whereof presently cannot be commented.

We further report that the loss for the year and balance in the statement of profit and loss are without considering matter described in the first paragraph of Emphasis of Matter, the effects of which could not be determined.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the Annexure "A", a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

As required by Section 143(3) of the Act, we report that:

- i. We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit;
- ii. In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- iii. The balance sheet, the statement of profit and loss, and the cash flow statement dealt with by this report are in agreement with the books of account;
- iv. In our opinion, the aforesaid financial statements comply with the Indian Accounting Standards specified under Section 133 of the Act read with the Companies (Indian Accounting Standards) Rules, 2015, as amended.
- v. On the basis of the written representations received from the directors as on March 31, 2022 taken on record by the board of directors, none of the directors is disqualified as on March 31, 2022 from being appointed as a director in terms of Section 164 (2) of the Act;
- vi. With respect to the adequacy of the internal financial controls over financial reporting of the company and the operating effectiveness of such controls, refer to our separate report in "Annexure B", and
- vii. With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended in our opinion and to the best of our information and according to the explanations given to us;
 - a) The Company does not have any pending litigations which would impact its financial position;
 - b) The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses; and
 - c) There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company.

Annexure "A" to the Independent Auditors Report

(Referred to in paragraph 1 under heading "Report on Other Legal and Regulatory Requirements" of our report of even date)

Re: Valecha Badwani Sendhwa Tollways Limited ('the Company')

- i)
 - (a) Based on the records examined by us and information and explanations given to us the Company has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.
 - (b) Based on the records examined by us and information and explanations given to us the Company has a regular programme of physical verification of its fixed assets by which all fixed assets are verified annually. In our opinion, this periodicity of physical verification is reasonable having regard to the size of the Company and the nature of its assets. In accordance with the policy, the Company has carried out the physical verification of fixed assets during the year and no material discrepancies were noticed on such verification.
 - (c) According to the information and explanations given to us and the records examined by us and based on the examination of the relevant records provided to us, we report that, the title deeds, comprising all the immovable properties of land and building which are freeholds, are held in the name of the Company as at the balance sheet date.
 - (d) Based on the records examined by us and information and explanation given to us by the Company, the Company during the year has not revalued its Property Plant and Equipment (including rights of use assets) or intangible assets, hence, the requirements of the said clause i(d) of paragraph 3 of the Order is not applicable to the Company.
 - (e) According to the information and explanation and representation given to us by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder. According to the information and explanation and representation given to us by the management, no proceedings have been initiated or are pending against the Company for holding any benami property under the Benami Transactions (Prohibition) Act, 1988 (45 of 1988) and rules made thereunder.
- ii) Based on the records examined by us and information and explanations given to us the Company has does not hold any inventory and accordingly the provisions of clause 3(ii)(a) and 3(ii)(b) of the said order is not applicable to the Company.

- iii. According to the information and explanations given to us, the Company has not granted any loans, secured or unsecured, to companies, firms, limited liability partnerships or other parties covered in the register maintained under Section 189 of the Act. Therefore, paragraph 3(iii), 3(iii)(a), 3(iii)(b), 3(iii)(c), 3(iii)(d), 3(iii)(e) and 3(iii)(f) of the said Order are not applicable.
- iv. In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Section 185 and 186 of the Act, with respect to the loans and investments made.
- v. According to the information and explanations given to us, the Company has not accepted any deposits from the public in accordance with the provisions of section 73 to 76 the Companies Act, 2013 and Rules framed there under. Accordingly, the provisions of clause 3(v) of the Order are not applicable.
- vi. The Central Government has not prescribed the maintenance of cost records under section 148 (1) of the Act for any of the services rendered by the Company and accordingly paragraph 3(vi) of the Order are not applicable.
- vii. Based on the records examined by us and according to the information and explanations given to us, in respect of statutory dues:
- (a) According to the information and explanations given to us and on the basis of our examination of the records of the Company, amounts deducted / accrued in the books of account in respect of undisputed statutory dues including Income Tax, Service Tax, Goods and Service Tax and other material statutory dues have not been regularly deposited during the year by the Company with the appropriate authorities. As explained to us, the Company did not have any dues on account of Sales Tax, Wealth Tax, Duty of Custom, Duty of Excise and Investor Education and Protection Fund.
- According to the information and explanations given to us, no undisputed amounts payable in respect of Provident Fund, Employees' State Insurance, Income tax, Service tax, CESS and other material statutory dues were outstanding as at the yearend for a period of more than six months from the date they became payable.

(b) According to the information and explanations given to us and the records of the company examined by us and as per our verification of record of the Company the disputed tax which are not deposited with appropriate authorities as at 31st March, 2022 are given below.

Nature of the Statute	Nature of Dues	Forum where Dispute is pending	Period to which the Amount relates	Amount in Rs.
The Income Tax Act, 1961	Disallowance of Depreciation claimed	In the High Court of Bombay	AY 2013-14	Tax effect of Rs. 5,72,05,755/-

viii. According to information and explanation given to us and representation given by the management, there were no transactions relating to previously unrecorded income that were surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961.

ix. Based on the information and explanation provided to us:

- According to the information and explanations given to us, the Company has not defaulted in repayment of loans or other borrowings or in the payment of interest thereon to any lender.
- According to the information and explanations given to us and on the basis of the audit procedures, we report that the Company has not been declared as wilful defaulter by any banks, financial institution or government or any government authority.
- In our opinion and information and explanation given to us and based on the examination of records of the Company, the Company has not raised term loans from any lender and hence reporting under clause ix(c) of paragraph 3 of the Order is not applicable to the Company.
- According to the information and explanations given to us, and the procedures performed by us, and on an overall examination of the financial statements of the Company, we report that no funds raised on short term basis have been used for long-term purposes.
- According to the information and explanations given to us and on an overall examination of the financial statements of the Company, we report that the Company has not taken any funds from any entity or person on account of or to meet the obligations of its subsidiaries, associates or joint ventures.

[Handwritten signature]

- x. Based on the Information and explanation provided to us:
- a) In our opinion and according to the information and explanations given to us, the Company did not raised moneys by way of initial public offer / further public offer (including debt instruments) and has not taken any term loan during the year. Accordingly, paragraph 3(x)(i) of the order is not applicable.
 - b) In our opinion and according to the information and explanations give to us and based on our examination of the records of the Company, the Company has not made any preferential allotment or private placement of shares or fully or partly convertible debentures during the year. Accordingly, paragraph 3(x)(ii) of the Order is not applicable.
- xi. Based on the Information and explanation provided to us:
- a) To the best of our knowledge and according to the information and explanations given to us, no fraud by the Company or no material fraud on the Company by its officers or employee has been noticed or reported during the year.
 - b) According to the information and explanations given to us, no report under sub-section (12) of section 143 of the Act has been filed by the auditors in form ADT-4 as prescribed under rule 13 of the Companies (Audit and Auditors) Rules, 2014 with the Central Government.
 - c) The company is a private limited company and hence it is not required to establish whistle-blower mechanism and accordingly provisions of paragraph 3(xi)(c) is not applicable to the Company.
- xii. In our opinion and according to the information and explanations given to us, the Company is not a Nidhi company. Accordingly, paragraph 3(xii) of the Order is not applicable.
- xiii. According to the information and explanations given to us and based on our examination of the records of the Company, transactions with the related parties are in compliance with sections 177 and 188 of the Act where applicable and details of such transactions have been disclosed in the financial statements as required by the applicable Accounting Standards.
- xiv. In our opinion and based on our examination, Sec 138 of the Act is not applicable to the company and accordingly provisions of paragraph 3(xiv)(a) and 3(xiv)(b) is not applicable to the Company.

- xv. According to the information and explanations given to us and based on our examination of the records of the Company, the Company has not entered into non-cash transactions with directors or persons connected with him. Accordingly, paragraph 3(xv) of the Order is not applicable.
- xvi. Based on the Information and explanation provided to us:
- a) The Company is not required to be registered under Section 45-IA of the Reserve Bank of India Act, 1934.
- b) On the basis of examination of records and according to the information and explanation given to us by the Company, the Company has not conducted any Non-Banking Financial or Housing Finance activities hence the reporting requirements under clause xvi(b) of paragraph 3 of the Order is not applicable.
- c) In our opinion and according to the information and explanation given to us, the Company is not a Core Investment Company as defined in the regulations made by the Reserve Bank of India.
- d) As represented by the management, the Group does not have more than one Core Investment Company as part of the Group as per the definition of Group contained in the Core Investment Companies (Reserve Bank) Directions, 2016.
- xvii. Based on the examination of records, the Company has not incurred any cash losses in the financial year and in the immediately preceding financial year.
- xviii. There has been no resignation of the statutory auditors during the year and accordingly this clause is not applicable.
- xix. According to the information and explanations given to us and on the basis of the financial ratios disclosed in note no. 36 to the financial statement, ageing and expected dates of realization of financial assets and payment of financial liabilities, other information accompanying the financial statements, our knowledge of the Board of Directors and management plans and based on our examination of the evidence supporting the assumptions, indicate that material uncertainty exists that may cast a significant doubt on the Company's ability to continue as a going concern. We further state that our reporting is based on the facts up to the date of the audit report and we neither give any guarantee nor any assurance that all liabilities falling due within a period of one year from the balance sheet date, will get discharged by the Company as and when they fall due.

Annexure "B" referred to in paragraph 2(vi) under the heading "Report on Other Legal and Regulatory Requirements" of our report of even date

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

To the Members of Valecha Badwani Sendhwa Tollways Limited

We have audited the internal financial controls over financial reporting of Valecha Badwani Sendhwa Tollways Limited ("the Company") as of March 31, 2022 in conjunction with our audit of the standalone financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's Management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor's Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing as specified under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

According to the information and explanations given to us and based on our audit, the following material weaknesses have been identified as at March 31, 2022:

1. The policies, procedures and overall internal controls needs to be strengthened in order to provide proper evidences regarding recoverability of receivables, valuation of inventories, provision of payables / liabilities and statutory compliances. We are unable to ascertain its impact, if any on the statements in respect of the above matters.

A 'material weakness' is a deficiency, or a combination of deficiencies, in internal financial control over financial reporting, such that there is a reasonable possibility that a material misstatement of the company's annual or interim financial statements will not be prevented or detected on a timely basis.

In our opinion, except for the effects/possible effects of the material weaknesses described above on the achievement of the objectives of the control criteria, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2022, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

The carrying amount of trade payables, cash and cash equivalents (including other) current bank balances and other liabilities including provisions, etc. are considered to be in line with their fair value, due to recent and short-term nature of such balances.

The financial assets and liabilities that are measured at fair value, the carrying amount is equal to the fair value.

21. Capital management:

The Company manages its capital so as to maintain its ability to continue as a going concern and to optimize returns to its shareholders. The capital management of the Company is based on management's judgement of the appropriate balance of key elements in order to meet its strategic day-to-day needs. We consider the amount of capital in proportion to risk and manage the capital structure in light of changes in economic conditions and the risk characteristics of the underlying assets. In order to maintain or adjust the capital structure, the company may adjust the amount of dividends paid to shareholders, return capital to shareholders or issue new shares.

22. Financial risk management:

The company activities expose it to market risk, liquidity risk and credit risk.

The table below shows the nature of risk which the company is exposed to and how the risks is managed.

Risk	Appraisal of Risk	Measurement	Management
Credit risk	Cash and cash equivalents, trade receivables, financial assets measured at amortized cost.	Rating of the credit ratings.	Investment in high quality, credit rating and terms of trade.
Market risk - interest rate	Long-term borrowing at variable rates.	Interest rate risk.	Interest rate risk.
Liquidity risk	Borrowing and other liabilities.	Availability of continued credit lines and borrowing facilities.	Availability of continued credit lines and borrowing facilities.

Market risk - interest rate risk

The table below shows the nature of risk which the company is exposed to and how the risks is managed. The company is exposed to interest rate risk, which is managed by using interest rate derivatives.

Sensitivity

The table below shows the sensitivity of the company's profit or loss to changes in interest rates.

Interest rate sensitivity	Rs. in Lakhs		Rs. in Lakhs	
	As at March 31, 2022	As at March 31, 2021	As at March 31, 2022	As at March 31, 2021
Interest rates (decrease by 1 basis point)	(12.27)	(18.81)	(2,216.37)	(2,886.30)
Interest rates (increase by 1 basis point)	12.27	18.81	2,216.37	2,886.30

23. Financial risk management:

Liquidity risk is the risk that the Company will not be able to meet its financial obligations as they become due. The Company manages its liquidity risk by ensuring, as far as possible, that it will always have sufficient liquidity to meet its liabilities when due.

The company's finance department is responsible for ensuring funding is in place and for the management of working capital and other financial risk management.

The management monitors the Company's cash liquidity position through forecasts of the cash and reported cash flows. The company's cash and working capital is monitored by ensuring that the company's cash and working capital is always sufficient to meet its liabilities when due.

The table below provides details regarding the financial liabilities and financial assets as at March 31, 2022.

Valecha Badwani Sendhwa Tollways Limited

Notes on Accounts Forming Part of the Balance Sheet as at 31st March, 2022

NOTES TO THE FINANCIAL STATEMENTS

24. Employees' Retirement and other Benefits:

As per management no liability for retirement benefit costs (Gratuity Provision) arises to the Company, as the employees work for short term basis on payroll, therefore compliances with the Ind AS – 19 on "Employees Benefits" is not applicable to the Company.

25. Related party Disclosures:

The Company has undertaken following transactions with the related parties in terms of Ind AS – 24 "Related Party Disclosure":

A) The name of related parties with the nature of relationship:

Promoters & Associates	Relationship
M/s Valecha Infrastructures Ltd (VIL)	Holding Company
M/s Artefact Infrastructure Limited (AIL)	Share holder holding 26% of Share capital
M/s Valecha Engineering Limited (VEL)	Ultimate Holding Company
M/s Valecha LM Toll Private Limited	Fellow Subsidiary

Key Management Personnel	Relationship
Mr. Anil Saktharam Korpe	Director
Mr. Santosh Kumar Patro	Director
Ms. Laina Bharat Takekar	Director
Mr. Sandesh Dalvi	Director (Resigned w.e.f. 23 rd Oct, 2020)

i) Transaction with the Related Parties:

Nature of Transaction	Promoters & Associates	Balance O/S Amount (Rs.) (2021-22)	Balance O/S Amount (Rs.) (2020-21)
Unsecured Loan (Received)	M/s Valecha Engineering Ltd (VEL)	Rs. 1,75,09,886/-	Rs. 2,97,70,414/-
Unsecured Loan (Paid)	M/s Valecha Infrastructure Limited (VIL)	Rs. 2,86,090/-	Rs. 2,40,890/-
Unsecured Loan (Received)	M/s Valecha Kachchh Toll Roads Limited	Rs. 97,654/-	Rs. (61,520/-)
Loans & Advances (Paid)	M/s Valecha LM Toll Pvt Ltd	Rs. 83,242/-	Rs. 83,242/-
Equity Contribution	M/s Valecha Infrastructure Limited (VIL)	Rs. 3,70,00,000/-	Rs. 3,70,00,000/-
Equity Contribution	M/s. Artefact Infrastructure Limited (AIL)	Rs. 1,30,00,000/-	Rs. 1,30,00,000/-
Compulsory Convertible Debentures	M/s Valecha Infrastructure Limited (VIL)	Rs. 14,80,00,000/-	Rs. 14,80,00,000/-
Compulsory Convertible Debentures	M/s. Artefact Infrastructure Limited (AIL)	Rs. 5,20,00,000/-	Rs. 5,20,00,000/-

26. Segment Reporting

The Company is a special purpose vehicle which has a single special purpose of development of Badwani - Palsod - Sondiwa Road Section in the state of Madhya Pradesh on BOT basis; therefore the only segment of company as per Ind AS 108.

27. Earnings per Share (EPS):

(Amount in Rs.)

	31.03.2022	31.03.2021
Net Profit attributable to equity shareholders	(41,69,062)	(4,26,18,865)
Weighted average number of shares for Basic and Diluted EPS (Numbers)	50,00,000	50,00,000
Basic & Diluted Earnings Per share (Equity share of Rs. 10/- each)	(0.83)	(8.52)

28. Provision for Taxes:

Current Tax: The Provision for income tax is determined in accordance with the provisions of Income Tax Act 1961.

29. Deferred Tax Assets:

The Company on the basis of prudence has preferred not to recognize the deferred tax assets amounting to Rs. 1,37,20,694/- (P.Y. Rs. 1,02,43,536/-)

30. Auditors Remuneration (including taxes):

	(Amount in INR)	(Amount in INR)
Particulars	2021-22	2020-21
Statutory Audit	1,25,000	1,25,000
Limited Reviews Certification	30,000	-
Tax Audit	40,000	40,000
GST	35,100	29,700
Total	2,30,100	1,94,700

31. During the year the Bank of Baroda has charged interest at higher rate than agreed interest as per sanctioned letter and computed with effect from February 2020 and one time interest effect of Rs. 1.74 crores has been charged to term loan account and continued with such higher interest on monthly basis, whereas in last term loan renewal interest rate was approved @ 11.15%. Even though during the year the Company has accounted for additional interest in the books of accounts as per term loan statement however it doesn't tantamount to acceptance of said additional interest.

32. The Company has incurred substantial losses from its operations for the last few years which have eroded its net worth substantially. This raises doubt about its ability to continue as going concern. However, the management is of the opinion that on approval of Master Restructuring Agreement by the banks, increase in toll collection due to yearly rate revision and consistent growth in the toll, the company will be able to return profitability over the next few years. Hence the financial statements have been prepared assuming that the company will continue as going concern. No adjustments are hence, made in the financial statement that might result from the outcome of this uncertainty.

33. Note on Going Concern of Ultimate Holding Company:

During the year ended March 31, 2021, the Parent Company's appeals against the winding up orders dated 01.03.2018 and 26.04.2018 passed by the Hon'ble High Court were dismissed by the Hon'ble High Court vide orders dated 05.03.2021 and 09.03.2021. Pursuant to the dismissal of the said Appeals the Parent Company preferred a Special Leave Petition bearing No. SLP (Civil) Diary No.71031 of 2021 before the Hon'ble Supreme Court, which eventually was also dismissed by the Hon'ble Supreme Court vide Order dated 30.04.2021. However, the said order dated 30.04.2021 also granted liberty to the Company to present a formal petition/application and present a scheme of settlement. One of the shareholders of the Parent Company, Valecha Investments Private Limited, holding 17.77% of the total equity shares, propounded a scheme of arrangement / compromise in pursuance of the liberty granted by the Supreme Court of India. They also filed Company Summons for Directions (L) No. 25113 of 2021 seeking appropriate orders to call for meetings of stakeholders to vote on the scheme. The Parent Company's Lead Banker State Bank of India moved an application to transfer the matter to National Company Law Tribunal (NCLT) as the Parent Company is a construction and infrastructure development company and is a going concern. Accordingly, the Hon'ble High Court vide order dated 17.12.21 passed an order directing the transfer of the Company Petition No. 761/2015 and Company Petition No. 173/2016 to NCLT.

Accordingly, financial statements of VBSTL has been prepared and no adjustments, if any, have been made.

34. Balances of certain Debtors, Creditors, Loans & Advances are in the process of confirmation / reconciliation, adjustments, if any, will be accounted for as and when reconciled / confirmed. Although these accounts are reconciled in the usual course of business as and when transactions are made, management is of the opinion that there is no adverse adjustment/reconciliation in these accounts.

35. Contingent Liabilities:

There are pending legal cases against the Company, which may have material impact on the financial position of the Company, which mainly include an appeal preferred by the Income tax department before Hon'ble High Court of Bombay for Assessment Year 2013-14 for disallowance of depreciation which have tax effect of Rs. 5.72 crores. Further there is no contingent Liabilities as on the date of balance sheet except as stated above.

36. Disclosures Under The Micro, Small And Medium Enterprises Development Act, 2006

Under the Micro, Small and Medium Enterprises Development Act, 2006 which came into force from October 2, 2006, certain disclosures are required to be made relating to Micro, Small and Medium enterprises. There have been no reported cases of delays in payments to micro and small enterprises or of interest payments due to delays in such payments during the years ended March 31, 2022 and March 31, 2021. The above is based on the information available with the Company which has been relied upon by the auditors.

37. Corporate Social Responsibility (CSR)

As per the section 135 of the Act, the Company is not required to spend any amount towards CSR based on profitability of the Company, against the same no amount has been spent by the Company.

38. In the opinion of Board of Directors, the Current Assets, Loans and Advances have a value on realization in the ordinary course of business at least equal to the amount at which they are stated in the Balance Sheet. Subject to the notes the provision for all liabilities is adequate and not in excess of

the amount considered reasonably necessary. There are no contingent liabilities other than those stated in the notes.

39. The Company has not revalued any Property, Plant & Equipment nor any Intangible assets.

40. No proceeding has been initiated or pending against the Company for holding any Benami property under the Benami Transactions (Prohibition) Act, 1988, as amended, and rules made thereunder.

41. The title deeds of all the immovable properties, (other than immovable properties where the Company is the lessee and the lease agreements are duly executed in favour of the Company) disclosed in the financial statements included in property, plant and equipment and capital work-in progress are held in the name of the Company as at the balance sheet date.

42. The Company does not hold any Intangible assets under development and accordingly, no ageing nor completion schedule is provided.

43. The Company has granted loans to promoters, directors, key managerial persons and related parties as defined under Companies Act, 2013, (Refer Note. No. 5)

44. The Company has not advanced or loaned or invested funds to any other person(s) or entity(ies), including foreign entities (Intermediaries) with the understanding that the intermediary shall: (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the company (Ultimate Beneficiaries) or (b) provide any guarantee, security or the like to or on behalf of the Ultimate Beneficiaries.

45. The Company has not received any fund from any person(s) or entity(ies), including foreign entities (Funding Party) with the understanding (whether recorded in writing or otherwise) that the Group shall: (a) directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party (Ultimate Beneficiaries) or (b) provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries.

46. The Company have borrowings from banks or financial institutions as per Notes No. 09. and, there is reporting requirement required regarding utilisation of funds for specific purpose for which it was obtained.

47. The Company have borrowings from banks or financial institutions against security of current assets. The quarterly returns or statements filed by the Company with such banks are in agreement with the books of account of the Company.

48. The Company has not been declared wilful defaulter by any bank or financial institution or government or any government authority.

49. The Company does not have any transactions with companies struck off.

50. The Company does not have any charges or satisfaction which is yet to be registered with ROC beyond the statutory period.

51. The Company has not traded or invested in Crypto currency or Virtual Currency during the financial year.

52. The Company has not any such transaction which is not recorded in the books of accounts that has been surrendered or disclosed as income during the year in the tax assessments under the Income Tax Act, 1961 such as, search or survey or any other relevant provisions of the Income Tax Act, 1961.

53. The Company has complied with the number of layers prescribed under clause (87) of section 2 of the Act read with the Companies (Restriction on number of Layers) Rules, 2017.

54. The Company has not entered into any scheme of arrangement.

55. The previous year figures in balance sheet have been reworked, regrouped, rearranged, and reclassified wherever necessary.

Valecha Badwani Sendhwa Tollways Limited
Notes on Accounts Forming Part of the Balance Sheet as at 31st March, 2022

A. BACKGROUND :

1. Corporate Information:

Valecha Badwani Sendhwa Tollways Limited ("The Company" or "VBSTL") is a Company incorporated in India on 7th April 2011 with the registered office at Valecha chamber, 4th Floor, Andheri New Link Road, Andheri (W), Mumbai -400 053. VBSTL is a subsidiary Company of Valecha Infrastructure Limited which holds 74% of the equity share capital of the Company. The remaining 26% of the equity capital is held by Artefact Infrastructure Limited.

VBSTL has been set up to Design, Engineering, Construction, Development, Finance, Operation and maintenance, construction of Two/ Intermediate Laning Road of Badwani - Palsod - Sendhwa Road Section, in the state of Madhya Pradesh on Toll Plus Annuity basis.

The financial statements were authorized for issue by the Company's Board of Directors on 3rd September, 2022 Pursuant to the provisions of section 130 of the Act.

2. Concession Arrangement entered into between VBSTL and MPRDC

The 'Concession Agreement' entered between Valecha - Badwani - Sendhwa Tollways Limited (VBSTL) and Madhya Pradesh Road Development Corporation (MPRDC), the government of Madhya Pradesh, conferred the right to the Company to implement the project and recover the project cost, through the Semi Annual Annuity of Rs 4.97 Crores and also through the levy of fees/toll revenue, with a designated rate of return over operation period after Commercial Operation Date, during 15 years of concession period commencing from the 4th October 2011, i.e. the date of financial closure.

3. Commencement of Commercial Operation

The Company has achieved its Commercial Operation Date "COD" and started its commercial operation of collection of user fee i.e. Toll Collection from 03rd July 2012.

B. SIGNIFICANT ACCOUNTING POLICIES :

1. Basis of preparation

These Financial Statements comply in all material aspects with Indian Accounting Standards (Ind AS) notified under Section 133 of the Companies Act, 2013 (the Act) [Companies (Indian Accounting Standards) Rules, 2015] and other relevant provisions of the Act. These Financial Statements have been prepared in accordance with the requirements of the information and disclosures mandated by Schedule III of the Act, applicable Ind AS, other applicable pronouncements and regulations.

These Financial Statements have been prepared on a historical cost basis, except for certain assets and liabilities which have been measured at fair value.

These Financial Statements are presented in absolute Indian Rupee, except where otherwise indicated.

The financial statements have been prepared in accordance with the requirements of the information and disclosures mandated by Schedule III to the Act, applicable Ind AS, other applicable pronouncements and regulations.

2. Current versus non-current classification

The Company presents assets and liabilities in the balance sheet based on current/non-current classification.

An asset is treated as current when it is:

- Expected to be realised or intended to be sold or consumed in normal operating cycle
- Expected to be realised within twelve months after the reporting period, or
- Cash or cash equivalent unless restricted from being exchanged or used to settle a liability for at least twelve months after the reporting period

All other assets are classified as non-current.

A liability is current when:

- It is expected to be settled in normal operating cycle
- It is due to be settled within twelve months after the reporting period, or
- There is no unconditional right to defer the settlement of the liability for at least twelve months after the reporting period

All other liabilities are classified as non-current.

Deferred tax assets and liabilities are classified as non-current assets and liabilities.

The operating cycle is the time between the acquisition of assets for processing and their realization in cash and cash equivalents. The Company has identified twelve months as its operating cycle.

3. Functional and presentation currency

Items included in the financial statements of the company are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The functional statements are presented in Indian Rupees (INR), which is the company's functional and presentation currency.

4. Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- in the principal market for the asset or liability, or
- in the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the Company.

The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

The Company uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximizing the use of relevant observable inputs and minimizing the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the Financial Statements are categorized within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

Level 1 - Quoted (unadjusted) market prices in active markets for identical assets or liabilities

Level 2- Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable

Level 3 -Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the Financial Statements on a recurring basis, the Company determines whether transfers have occurred between levels in the hierarchy by re-assessing categorization (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

At each reporting date, the Management analyses the movements in the values of assets and liabilities which are required to be re-measured or re-assessed as per the Company's accounting policies. For this analysis, the Management verifies the major inputs applied in the latest valuation by agreeing the information in the valuation computation to contracts and other relevant documents.

The management also compares the change in the fair value of each asset and liability with relevant external sources to determine whether the change is reasonable.

For the purpose of fair value disclosures, the Company has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy as explained above.

5. Financial instruments

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity.

Financial assets

Initial recognition and measurement

All financial assets are recognised initially at fair value, in the case of financial assets not recorded at fair value through Statement of Profit and Loss, net of directly attributable transaction cost to the acquisition of the financial asset. Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Company commits to purchase or sell the asset.

For purposes of subsequent measurement, financial assets are classified in following categories:

- at amortised cost
- at fair value through profit or loss (FVTPL)
- at fair value through other comprehensive income (FVOCI)

Financial Assets at amortised cost

Financial assets are measured at the amortised cost if both the following conditions are met:

- a) The asset is held within a business model whose objective is to hold assets for collecting contractual cash flows, and
- b) Contractual terms of the asset give rise on specified dates to cash flows that are solely payments of principal and interest (SPPI) on the principal amount outstanding.

This category is the most relevant to the Company. All the Loans and other receivables under financial assets (except investments) are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market.

After initial measurement such financial assets are subsequently measured at amortised cost using the Effective Interest Rate (EIR) method. Amortised cost is calculated by taking into account any discount or

premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance income in the Statement of Profit and Loss. The losses arising from impairment are recognized in the Statement of Profit and Loss. This category generally applies to loans and other receivables.

Financial Assets at Fair Value through Statement of Profit and Loss/Other Comprehensive Income

All investments in scope of Ind AS 109 are measured at fair value. The Company makes such election on an instrument by instrument basis. The classification is made on initial recognition and is irrevocable. If the Company decides to classify an instrument as at FVTOCI, then all fair value changes on the instrument, excluding dividends, are recognized in the Other Comprehensive Income. There is no recycling of the amounts from Other Comprehensive Income (OCI) to the Statement of Profit and Loss, even on sale of investment. However, the Company may transfer the cumulative gain or loss within equity. Instruments included within the FVTPL category are measured at fair value with all changes recognized in the Statement of Profit and Loss.

De-recognition

A financial asset (or, where applicable, a part of a financial asset or part of the Company's similar financial assets) is primarily derecognized (i.e. removed from the Company's balance sheet) when:

The rights to receive cash flows from the asset have expired, or

The Company has transferred its rights to receive cash flows from the asset or has assumed an obligation to pay the received cash flows in full without material delay to a third party under a 'pass-through' arrangement; and either (a) the Company has transferred substantially all the risks and rewards of the asset, or (b) the Company has neither transferred nor retained substantially all the risks and rewards of the asset, but has transferred control of the asset.

When the Company has transferred its rights to receive cash flows from an asset or has entered into a pass-through arrangement, it evaluates if and to what extent it has retained the risks and rewards of ownership. When it has neither transferred nor retained substantially all of the risks and rewards of the asset, nor transferred control of the asset, the Company continues to recognize the transferred asset to the extent of the Company's continuing involvement. In that case, the Company also recognizes an associated liability. The transferred asset and the associated liability are measured on a basis that reflects the rights and obligations that the Company has retained.

Impairment of financial assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried at amortised cost and FVOCI. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

The impairment methodology for each class of financial assets stated is as follows:

Loans receivables measured at amortised cost: Loans receivables at amortised cost are generally short term in nature considered to be low risk, and thus the impairment provision is determined as 12 months expected credit losses.

Loans given to employees: For loans given to employees outstanding as on the reporting dates, the has determined reliably that assessing the probability of default at the initial recognition of each and every loan or receivable would result in undue cost and effort. As permitted by Ind AS 109, the credit provision will be determined based on whether credit risk is low only at each reporting date, until the loan is derecognized. Using the impairment methodology the Company has assessed that no loan loss allowance needs to be recorded in the books of accounts.

Expected credit loss ("ECL") impairment loss allowance (or reversal) recognized during the period is recognized as income/ expense in the Statement of Profit and Loss (P&L). This amount is reflected

under the head 'other expenses' in the P&L. The balance sheet presentation for various financial instruments is described below:

Financial assets measured as at amortized cost and other contractual revenue receivables - ECL is presented as an allowance, i.e., as an integral part of the measurement of those assets in the balance sheet. The allowance reduces the net carrying amount. Until the asset meets write-off criteria, the Company does not reduce impairment allowance from the gross carrying amount.

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, as financial liabilities at fair value through Statement of Profit and Loss, loans and borrowings, trade payables or other payables.

All financial liabilities are recognized initially at fair value.

The Company's financial liabilities include trade and other payables, loans and borrowings including bank overdrafts and other payables.

Subsequent measurement

Financial liabilities at amortized cost: After initial measurement, such financial liabilities are subsequently measured at amortized cost using the effective interest rate (EIR) method. Amortized cost is calculated by taking into account any discount or premium on acquisition and fees or costs that are an integral part of the EIR. The EIR amortization is included in finance costs in the Statement of Profit and Loss.

Loans and borrowings

This is the category most relevant to the Company. After initial recognition, interest-bearing loans and borrowings are subsequently measured at amortised cost using the EIR method. However, the Company has borrowings at floating rates. The impact of restatement of effective interest rate, year on year due to reset of interest rate, is not material. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the transaction cost amortization process.

Trade Payables

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of business from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less (or in the normal operating cycle of the business if longer). If not, they are presented as non-current liabilities.

Trade payables are recognized initially at fair value and subsequently measured at amortised cost using the effective interest method.

Retention money payable

This is the category most relevant to the Company. Retention moneys are measured at Fair value initially. Subsequently, they are measured at amortised cost using the EIR (Effective interest rate) method. Gains and losses are recognized in Statement of Profit and Loss when the liabilities are derecognized as well as through the EIR amortization process.

De-recognition

A financial liability is derecognized when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an

exchange or modification is treated as the de-recognition of the original liability and the recognition of a new liability. The difference in the respective carrying amounts is recognized in the Statement of Profit and Loss.

Offsetting of financial instruments

Financial assets and financial liabilities are offset and the net amount is reported in the balance sheet if there is a currently enforceable legal right to offset the recognized amounts and there is an intention to settle on a net basis, to realize the assets and settle the liabilities simultaneously.

6. Revenue Recognition :

Revenue is measured at the fair value of the consideration received or receivable. The Company recognizes revenue when the amount of revenue can be reliably measured; when it is probable that future economic benefits will flow to the entity; and when specific criteria have been met for the Company's activities, as described below:

A. **Toll Collection:** Toll Revenue is recognised in respect of toll collected at the Toll plaza of the company at Badwani - Sendhwa on receipt basis.

B. **Interest Accrued on Deposit with Bank:** Income from interest on deposits is recognized on time proportionate method.

C. **Others**

Insurance and other claims are recognized as revenue on certainty of receipt basis.

7. Property, plant and equipment

Property, plant and equipment are measured at cost of acquisition net of recoverable taxes less accumulated depreciation and impairment loss, if any. Cost includes expenses that is directly attributable to acquisition of the assets.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Subsequent costs are included in the asset's carrying amount or recognized as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Company and the cost of the item can be measured reliably. The carrying amount of any component accounted for as a separate asset is derecognised when replaced. All other repairs and maintenance are charged to profit or loss during the reporting period in which they are incurred.

Amounts paid towards the acquisition of property, plant and equipment outstanding as of each reporting date and the cost of property, plant and equipment not ready for their intended use before such date are shown as Capital Work in Progress.

Depreciation on property, plant and equipment is provided on **straight line method** over the useful lives as specified in Part 'C' of Schedule II to the Companies Act, 2013, which is also estimated as useful lives by the management.

Intangible assets and Amortization

Intangible assets are recognized only if it is probable that the future economic benefits that are attributable to the assets will flow to the enterprise and the cost of the assets can be measured reliably. Expenditure on an Intangible item is expensed when incurred unless it forms part of the cost of Intangible asset that meets the recognition criteria. Intangible assets are stated at cost of acquisition net of recoverable taxes less accumulated amortization and impairment loss, if any.

Intangible assets comprising of software purchased and licensing cost are **amortized on straight line basis** over the useful life of the software up to a maximum period of 10 years.

8. Accounting of intangible assets under service concession arrangement

The Company has Toll Road Concession rights where it Builds, Operates and maintains infrastructure used to provide public service for a specified period of time. These arrangements include infrastructure used in a public-to-private service concession arrangement for the entire useful life.

These arrangements are accounted for based on the nature of the consideration. The intangible asset model is used to the extent that the Company receives a right (a license) to charge users of the public service. The financial asset model is used when the Company has an unconditional contractual right to receive cash or another financial asset from or at the direction of the grantor for the construction services. When the unconditional right to receive cash covers only part of the service, the two models are combined to account separately for each component. If the Company performs more than one service (i.e., construction or upgrade services and operation services) under a single contract or arrangement, consideration received or receivable is allocated by reference to the relative fair values of the services delivered, when the amounts are separately identifiable.

The intangible assets is measured at the fair value of consideration transferred to acquire asset, which is the fair value of consideration received or receivable for the construction services delivered.

Intangible assets model

Intangible assets arising out of service concession arrangements are accounted for as intangible assets where the Company has a contractual right to charge users of service when the projects are completed. The intangible assets is measured at the fair value of consideration transferred to acquire asset, which is the fair value of consideration received or receivable for the construction services delivered.

Amortization of concession intangible assets

The intangible asset recognized are amortised over the concession period on proportionate basis.

Maintenance obligations

Contractual obligations to maintain, replace or restore the infrastructure (principally resurfacing costs and major repairs and unscheduled maintenance which are required to maintain the infrastructure asset in operational condition except for any enhancement element) are recognized and measured at the best estimate of the expenditure required to settle the present obligation at the balance sheet date for which next resurfacing would be required as per the concession arrangement. The provision is discounted to its present value at a pre-tax rate that reflects current market assessments of the time value of money and the risks specific to the liability.

9. Impairment of non-financial assets

Non-financial assets are tested for impairment whenever events or changes in circumstances indicate that the carrying amount may not be recoverable. An impairment loss is recognized for the amount by which the asset's carrying amount exceeds its recoverable amount. The recoverable amount is the higher of an asset's fair value less costs of disposal and value in use. For the purposes of assessing impairment, assets are grouped at the lowest levels for which there are separately identifiable cash inflows which are largely independent of the cash inflows from other assets or groups of assets (cash-generating units). Non-financial assets that suffered impairment are reviewed for possible reversal of the impairment at the end of each reporting period.

10. Taxes

Current Tax

Current income tax assets and liabilities are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the reporting date in the countries where the Company operates and generates taxable income. Current income tax relating to items recognized outside the Statement of Profit and Loss is recognized outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Current tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

Current tax assets and liabilities are offset only if, the Company:

- a) has a legally enforceable right to set off the recognised amounts; and
- b) intends either to settle on a net basis, or to realise the asset and settle the liability simultaneously.

Deferred tax

Deferred tax is provided using the balance sheet approach on temporary differences between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes at the reporting date.

Deferred tax liabilities and assets are recognized for all taxable temporary differences.

Deferred tax assets are recognized for unused tax losses to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax losses can be utilized.

The carrying amount of deferred tax assets is reviewed at each reporting date and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilized. Unrecognized deferred tax assets are re-assessed at each reporting date and are recognized to the extent that it has become probable that future taxable profits will allow the deferred tax asset to be recovered.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realized or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the reporting date.

Deferred tax relating to items recognized outside the Statement of Profit and Loss is recognized outside the Statement of Profit and Loss (either in other comprehensive income or in equity). Deferred tax items are recognized in correlation to the underlying transaction either in other comprehensive income or directly in equity.

Deferred tax assets and deferred tax liabilities are offset if a legally enforceable right exists to set off current tax assets against current tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

11. Borrowing costs

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

12. Contingent liabilities and contingent Assets

A contingent liability is a possible obligation that arises from past events whose existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events beyond the control of the Company or a present obligation that is not recognised because it is not probable that an outflow of resources will be required to settle the obligation. A contingent liability also arises in extremely rare cases where there is a liability that cannot be recognised because it cannot be measured reliably. The contingent liability is not recognised in the books of accounts but its existence is disclosed in the Financial Statements. A Contingent asset is not recognized in financial statements, however, the same are disclosed where an inflow of economic benefit is probable.

13. Provisions

Provisions are recognized when the Company has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. When the Company expects some or all of a provision to be reimbursed the reimbursement is recognized as a separate asset, but only when the reimbursement is virtually certain. The expense relating to a provision is presented in the Statement of Profit and Loss net of any reimbursement.

If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, when appropriate, the risks specific to the liability. When discounting is used, the increase in the provision due to the passage of time is recognized as a finance cost.

14. Employees' Benefits :

Short term obligations

Liabilities for wages and salaries, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognized in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

Post - employment obligations

A. Defined Contribution Plan:

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognized as employee benefit expense when they are due. Prepaid contributions are recognized as an asset to the extent that a cash refund or a reduction in the future payments is available.

15. Segment Reporting :

Operating segments are reported in a manner consistent with the internal reporting provided to the chief operating decision maker (CODM). Chief operating decision maker's function is to allocate the resources of the entity and access the performance of the operating segment of the entity.

The Board assesses the financial performance and position of the Company and makes strategic decisions. It is identified as being the chief operating decision maker for the company.

16. Critical accounting estimates and judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that may have a financial impact on the entity and that are believed to be reasonable under the circumstances.

The Company makes estimates and assumptions concerning the future. The resulting accounting estimates will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amount of assets and liabilities are disclosed below.

Applicability of service concession arrangement accounting to toll roads concessionaire arrangements

The Company has determined that Appendix A of Ind AS 11 'Service concession arrangements' is applicable to the Company which provides on accounting by the operators for public-to-private service concession arrangements. The Company has entered into concession arrangement with MPPCL, under which the Company would participate in the Design, Build, Finance, Operate and Transfer to the

basis the toll roads infrastructure. After the end of the concession arrangement, the Company has to transfer the infrastructure i.e. toll roads constructed to MPRDC.

Income taxes

The Company has recognized deferred tax assets relating to carried forward tax losses to the extent there are sufficient taxable temporary differences relating to the same taxation authority against which the unused tax losses can be utilized. However, the utilization of tax losses also depends on the ability of the Company to satisfy certain tests at the time the losses are recouped. Management has forecasted future taxable profits and has therefore recognized deferred tax assets in relation to tax losses.

Amortization of concession intangible assets

The intangible asset recognized are amortised over the concession period on the basis of projected toll revenue which reflects the pattern in which the assets economic benefits are consumed. The projected total toll revenue is based on the independent traffic volume projections. Amortization is revised in case of any material change in the expected pattern of economic benefits.

Provision for resurfacing obligation (major maintenance expenditure)

The Company records the resurfacing obligation for its present obligation as per the concession arrangement to maintain the toll roads at every five years during the concession period. The provision is included in the Financial Statements at the present value of the expected future payments. The calculations to discount these amounts to their present value are based on the estimated timing of expenditure occurring on the roads.

The discount rate used to value the resurfacing provision at its present value is determined through reference to the nature of provision and risk associated with the expenditure.

17. Recent accounting pronouncements

Appendix B to Ind AS 21, Foreign currency transactions and advance consideration: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Companies (Indian Accounting Standards) Amendment Rules, 2018 containing Appendix B to Ind AS 21, Foreign currency transactions and advance consideration which clarifies the date of the transaction for the purpose of determining the exchange rate to use on initial recognition of the related asset, expense or income, when an entity has received or paid advance consideration in a foreign currency.

The Company is evaluating the requirements of the amendment and the impact on the financial statements is being evaluated.

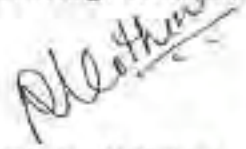

[Handwritten signature]

Ind AS 115- Revenue from Contract with Customers: On March 28, 2018, Ministry of Corporate Affairs ("MCA") has notified the Ind AS 115, Revenue from Contract with Customers. The core principle of the new standard is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. Further the new standard requires enhanced disclosures about the nature, amount, timing and uncertainty of revenue and cash flows arising from the entity's contracts with customers.

The Company is evaluating the requirements of the amendment and the impact on the financial statements is being evaluated.

Dear Sir(s),

Re: Statutory Audit as per Indian GAAP (IndAS) for the year ended March 2022

In connection with your audit of the financial statements of Valecha Badwani Sendhwa Tollways Limited for the year ended March 31, 2022, we recognize that obtaining representations from us concerning the information contained in this letter is a significant procedure in enabling you to form an opinion whether the financial statements present fairly, in all material respects, the financial position, results of operations and cash flows of the Company in conformity with the accounting principles generally accepted in India, including the Indian Accounting Standards (IndAS) specified under Section 133 of the Company's Act 2013, read with Rule 7 of the Companies (Accounts) Rules, 2014. We acknowledge our responsibility for preparation of financial statements in accordance with the requirements of the Companies Act, 2013 including applicable Indian Accounting Standards referred to in Section 133 of the Act, other relevant acts and recognized accounting policies and practices as per Indian Generally accepted accounting principles (Indian GAAP).

Certain representations in this letter are described as being limited to matters that are material. Items are considered material, regardless of size, if they involve an omission or misstatement of accounting information that, in light of surrounding circumstances, makes it probable that the judgment of a reasonable person relying on the information would be changed or influenced by the omission or misstatement.

The Company has been awarded to carry on the business of Design Engineering, Construction, Development, Finance, Operation and maintenance, construction of Two/ Intermediate Lining Road of Badwani - Palasod - Sendhwa Road Section, in the state of Madhya Pradesh on Toll Plus Annuity basis. The Concession Agreement dated April 13, 2011 with Madhya Pradesh Road Development Corporation Limited. The 'Concession Agreement' entered between Valecha - Badwani - Sendhwa Tollways Limited (VBSTL) and Madhya Pradesh Road Development Corporation (MPRDC), the government of Madhya Pradesh, conferred the right to the Company to implement the project and recover the project cost, through the Semi Annual Annuity of Rs 4.97 Crores and also through the levy of fees/toll revenue, with a designated rate of return over operation period after Commercial Operation Date, during 15 years of concession period commencing from the 4th October 2011, i.e. the date of financial closure.

VALECHA BADWANI SENDHWA TOLL WAYS LIMITED

(CIN : U45203MH2011PLC215905)

Regd. Office: Valecha Chambers, 4th Floor, Plot No. B-6,
New Link Road, Andheri (W), Mumbai - 400 053
Tel. +91-22-26733625-29, Fax : +91-22-26733945

Accordingly, we make the following representations, which are true to the best of our knowledge and belief:

1. Management's responsibilities

We recognize that, as members of management of the Company, we are responsible for the fair presentation of its financial statements as per Indian Accounting Standard (IndAS). Being first year of IndAS financials, we have fulfilled our responsibilities for the preparation and presentation of the financial statements of financial position, results of operations and cash flows, as set out in the terms of audit engagement and, in particular, the financial statements are fairly presented in conformity with First time adoption and IndAS. We also believe that we have made all the required disclosures in Notes to the Financial Statements. We have made available to your representatives all financial records and related data.

We have no plans or intentions that may materially affect the carrying value or classification of assets and liabilities.

The financial statements are free of material misstatements, including omissions. The operations have been conducted based on the delegation of power as approved by the Board of Directors.

All the money received / paid has been recorded during the course of the business and no amount is left unrecorded or is wrongly entered.

2. Unrecorded audit differences

There are no unrecorded audit differences (including the effects of correcting or reversing prior year audit differences) relating to the current year financial statements.

3. Minutes and contracts

We have shown you all minutes of the meetings of shareholders and directors for the year ended March 2022 or summaries of actions of recent meetings for which minutes have not yet been prepared. We also have made available to you all significant contracts and agreements and have communicated to you all significant oral agreements. We have complied with all aspects of contractual agreements that would have a material effect on the financial statements in the event of noncompliance. We confirm that there are no minutes or agreements other than as shown / provided to you.

4. Internal control

There are no transactions of a material nature, individually or in the aggregate, that have not been properly recorded in the accounting records underlying the financial statements.

There have been no significant changes in internal control since March 31, 2018.

VALECHA BADWANI SENDHWA TOLL WAYS LIMITED

(CIN : U45203MH2011PLC215905)

Regd. Office: Valecha Chambers, 4th Floor, Plot No. B-6,

Tel. : +91-22-26733625-29, Fax : +91-22-26733945

5. *Risks and uncertainties*

There are no risks and uncertainties related to significant estimates and current vulnerabilities due to material concentrations that have not been disclosed.

6. *Ownership and pledging of assets*

The Company has satisfactory title to all assets appearing in the balance sheet. No security agreements have been executed and there are no liens or encumbrances on assets, nor has any asset been pledged except as disclosed in the financial statements. All assets to which the Company has satisfactory title appear in the balance sheets.

The Company maintains the fixed assets register detailing all the assets as required. As per the policy, the company has conducted the physical verification of its fixed assets and no major deviation has been found between book record and physical record.

7. *Subordinate Debt*

The company has availed a subordinate debt aggregating to Rs. 176.07 Lakhs as on 31st March 2022, from its holding company. The repayment of the same is based on the available cash flow after repayment of the entire secured loans to lenders and carries nil rate of interest.

8. *Current Assets and Liabilities*

The carrying amounts reported in the balance sheets for Cash and Bank Balances, Inventories, Accounts receivable, Current Loans and Advances, Accounts payable and accrued liabilities, Employee related payables and Other Short term liabilities is equivalent to their realizable value.

9. *Investments*

We have no investments in any of the companies including affiliates except stated in the financial statement. The Company has clear title to all its investments. There are no charges against the investments of the Company.

10. *Intangible assets*

There are no intangible assets as on the date of balance sheet except which has been stated in the financial statement.

11. *Intangible assets under development*

There is no intangible asset under development as on March 31, 2022.

12. *Related party transactions*

Transactions and relations with related parties, as defined in AS 18, amounts receivable or payable, including providing / receiving services, sales, purchases, loans, transfers, leasing arrangements and guarantees, etc. have been properly recorded and disclosed in the financial statements and are entered at arm's length.

VALECHA BADWANI SENDHWA TOLL WAYS LIMITED

[CIN : U45203MH2011PLC215905]

Regd. Office: Valecha Chambers, 4th Floor, Plot No. B-6,

New Link Road, Andheri (W), Mumbai - 400 053

Tel: +91-22-26733625-29, Fax: +91-22-26733945

The disclosures made in the financial statements are adequate having regard to the framework under which the financial statements have been drawn. We also confirm the completeness of the information provided regarding the identification of related parties.

The list of related parties is as given below:

Promoters & Associates	Relationship
M/s Valecha Infrastructures Ltd (VIL)	Holding Company
M/s Artefact Infrastructure Limited (AIL)	Share holder holding 26% of Share capital
M/s Valecha Engineering Limited (VEL)	Ultimate Holding Company
M/s Valecha LM Toll Private Limited	Fellow Subsidiary
M/s Valecha Kachchh Toll Roads Limited	Fellow Subsidiary

13. *Contingent liabilities*

There are no unasserted claims or assessments, including those our lawyers have advised us of, which are probable of assertion and must be disclosed other than those disclosed in the financial statements.

There have been no violations or possible violations of laws or regulations in any jurisdiction whose effects should be considered for disclosure in the financial statements or as a basis for recording a loss contingency other than those disclosed or accrued in the financial statements.

There have been no internal investigations or communications from regulatory agencies or government representatives concerning investigations or allegations of noncompliance with laws or regulations in any jurisdiction, noncompliance with or deficiencies in financial reporting practices, or other matters that could have a material effect on the financial statements.

There are no other liabilities of gain or loss contingencies considered material, individually or in the aggregate, that are required to be accrued other than those accrued or disclosed in the financial statements, nor are there any accruals for loss contingencies included in the balance sheets.

14. *Oral or written guarantees*

There are no oral or written guarantees other than those reported in the financial statements, including guarantees of the debt of others.

15. *Commitments*

At March 31, 2022, the Company had no commitments, other than those reflected in financial statements.

VALECHA BADWANI SENDHWA TOLL WAYS LIMITED

(CIN : U45203MH2011PLC215905)

Regd. Office: Valecha Chambers, 4th Floor, Plot No. B-6,

New Link Road, Andheri (W), Mumbai – 400 053

Tel. +91-22-26733625-29, Fax : +91-22-26733945

16. Fraud

We acknowledge our responsibility for the design and implementation of programs and controls to prevent and detect fraud. We have no knowledge of any fraud or suspected fraud involving management or other employees who have a significant role in the Company's internal control over financial reporting. In addition, we have no knowledge of any fraud or suspected fraud involving other employees where the fraud could have a material effect on the financial statements. We have disclosed to you all allegations of financial improprieties,

including fraud or suspected fraud, coming to our attention (regardless of the source or form and including, without limitation, allegations by "whistle-blowers") where such allegations could result in a misstatement of the financial statements or otherwise affect the financial reporting of the Company.

17. Independence and conflicts of interest

Based on inquiries we have made of our officers, directors and substantial stockholders, we are not aware of any business relationship between any such officer, director or substantial stockholder (or any entity for or of which such an officer or director acts in a similar capacity) and Rajratan Kothari Associates.

We are not aware of any reason that Rajratan Kothari Associates would not be considered to be independent for purposes of the Company's audit.

There are no instances where any officer or employee of the Company has an interest in a company with which the Company does business that would be considered a "conflict of interest." Such an interest would be contrary to Company policy.

18. Retirement benefits

As per management no liability for retirement benefit costs (Gratuity Provision) arises to the Company, as the employees work for short term basis on payroll, therefore compliances with the Ind AS – 19 on "Employees Benefits" is not applicable to the Company.

19. Derivative Contracts

We confirm that there are no agreements that are binding in nature and resulting in identification of embedded derivatives.

20. Tax planning strategies

We have disclosed to you all significant tax planning strategies that were put in place during the current year or prior years that could materially affect the current year provision for income taxes, or the recorded amount of tax assets or liabilities.

21. Tax accounting methods

We recognize that we are responsible for the Company's compliance with tax laws and regulations that are applicable to it. We have identified and disclosed to your representatives all significant methods of accounting used under the applicable jurisdictional tax laws and regulations that materially affect the determination of financial statement amounts.

VALECHA BADWANI SENDHWA TOLL WAYS LIMITED

Regd. Office: Valecha Chambers, 4th Floor, Plot No. B-6,
New Link Road, Andheri (W), Mumbai - 400 053
Tel : +91-22-26733625-29, Fax : +91-22-26733945

22. *Subsequent events*

Subsequent to March 31, 2022, no events or transactions have occurred or are pending, other than those disclosed in the notes to the financial statements, that would have a material effect on the financial statements at that date or for the period then ended, or that are of such significance in relation to the Company's affairs to require mention in a note to the financial statements in order to make them not misleading regarding the financial position, results of operations or cash flows of the Company.

23. *Accounting policies*

The accounting policies which are material or critical in determining the results of operations for the year or financial position are set out in the financial statements and are consistent. The accounting policies are drawn up in accordance with the generally accepted accounting policies in India.

24. *Liabilities & provisions*

We have accounted all known liabilities in the financial statements. However, in respect of accounts payables the company is in the process of obtaining confirmation / reconciliation from the parties.

Provision has been made in the accounts for all known losses and claims of material amounts.

25. *Cash & Bank Balances*

The cash & Bank balance of the company as at 31.03.2022 was Rs. 65.75 Lakhs. All the bank accounts have been reconciled at the year end and entries are properly recorded.

26. *Revenue on Toll Collection*

The toll collection from users of facility is accounted for as and when the amount is due and recovery is certain. The company has proper internal control system for recognition of toll revenue.

27. *Others*

- The company has not granted, secured or unsecured loans to companies, firms and other companies, or other parties listed in the register maintained under Section 189 of the Companies Act, 2013.
- During the financial year 2021-22, the company has not accepted any public deposits.
- The company has not defaulted in repayment of dues to any financial institutions or bank.
- The company has not defaulted in payment of deposit, loan and interest thereon and accordingly the directors of the company are not restricted from being appointed as a director in terms of sub-section (2) of section 164 of the Company's Act.

VALECHA BADWANI SENDHWA TOLL WAYS LIMITED

[CIN : U45203MH2011PLC215905]

Regd. Office: Valecha Chambers, 4th Floor, Plot No. B-6,

New Link Road, Andheri (W), Mumbai - 400 053

Tel: +91-22-26733625-29, Fax : +91-22-26733945

- No expenses of personal nature (other than those payable under contractual obligations or in accordance with generally accepted business practice) and / or not related to the Company's business have been charged to the Company's accounts.
- There are no undisputed amounts payable in respect of Wealth tax, GST, Service tax, Interest tax, Sales tax, Customs duty, Excise duty and Cess outstanding as at the year end for a period of more than 6 months from the date they became payable during the year. There are no disputed / contingent liabilities against income tax / sales tax / wealth tax / service tax / customs duty / Excise Duty / GST/ cess other than those which are stated in notes to accounts.
- All legal requirements regarding agreements relating to the Rent, Security deposits, Lease and hire purchase have been complied with.
- The maintenance of cost records is not applicable as prescribed by the Central Government under sub section (1) of Section 148 of the Companies Act, 2013.
- The financial statements and appended notes thereto, include all material disclosures necessary for these accounts to show a true and fair view of the state of affairs and the results of operations of the Company and disclosures required to be made therein under the Companies Act, 2013 / respective accounting standards and are free of material misstatements, including omissions.
- All events subsequent to the Balance Sheet date have been fully considered in preparing the accounts and no other matter has come to our attention up to the time of signing this letter which would materially affect the accounts and the related disclosures for the year ended 31.03.2022.
- During the year ended March 31, 2021, the Parent Company's appeals against the winding up orders dated 01.03.2018 and 26.04.2018 passed by the Hon'ble High Court were dismissed by the Hon'ble High Court vide orders dated 05.03.2021 and 09.03.2021. Pursuant to the dismissal of the said Appeals the Parent Company preferred a Special Leave Petition bearing No. SLP (Civil) Diary No.71031 of 2021 before the Hon'ble Supreme Court, which eventually was also dismissed by the Hon'ble Supreme Court vide Order dated 30.04.2021. However, the said order dated 30.04.2021 also granted liberty to the Company to present a formal petition/application and present a scheme of settlement. One of the shareholders of the Parent Company, Valecha Investments Private Limited, holding 17.77% of the total equity shares, propounded a scheme of arrangement / compromise in pursuance of the liberty granted by the Supreme Court of India. They also filed Company Summons for Directions (L) No. 25113 of 2021 seeking appropriate orders to call for meetings of stakeholders to vote on the scheme. The Parent Company's Lead Banker State Bank of India moved an application to transfer the matter to National Company Law Tribunal (NCLT) as the Parent Company is a construction and infrastructure development company and is a going concern. Accordingly, the Hon'ble High Court vide order dated 17.12.21 passed an order directing the transfer of the Company Petition No. 761/2015 and Company Petition No. 173/2016 to NCLT. Accordingly, financial statements of VBSTL has been prepared and no adjustments, if any, have been made.
